

## LED BULBS BR20 6WD

### HIGHLIGHTS

#### 6W Dimmable LED Bulb

This 6W LED bulb provides 500 lumens of soft, energy-efficient light, ideal for smaller spaces or focused lighting needs. With dimmable functionality, it allows for adjustable brightness to suit various moods and settings. Available in warm white and cool white, it offers versatile lighting options for cozy atmospheres or crisp, clear illumination. Long-lasting and eco-friendly, this bulb is a cost-effective alternative to traditional lighting solutions, perfect for residential or commercial use.
