

LED BULBS PAR20 6.5WD

HIGHLIGHTS

6.5W Dimmable LED Bulb

Offering 520 lumens of versatile lighting, this 6.5W LED bulb is available in warm white for a soft, inviting glow or cool white for crisp, vibrant brightness. With its dimmable feature, you can customize the illumination to suit any setting or mood.

Designed for energy efficiency and long-lasting performance, this eco-friendly bulb is perfect for residential or commercial use, combining style, functionality, and cost-effectiveness for a reliable lighting solution.
