**Flat Panel Accessoires - Boîte Surface 1'X4'**

Surface Mount Kit for 1x4' panel lights is an elegant and practical solution for installing your panels directly onto plaster ceilings or flat surfaces. With a slim 2-inch profile, this kit allows for a discreet installation while ensuring a stable and secure mount. It is designed to perfectly fit 1x4' light panels, making it an ideal choice for commercial, office, or residential environments.

**CARACTERISTICS**

- Compact design: With only 2 inches of thickness, it allows for a discreet installation.
- Secure mounting: Guarantees stable installation on plaster ceilings or flat surfaces.
- Compatibility: Designed to fit 1x4' light panels, ideal for various environments.
- Installation versatility: Suitable for commercial, office, and residential spaces for seamless integration.
