

Projet: **Type:**

Work Light Accessoires - Câble de 3m

IP65 Type Y 3m Extension Connector for Tripod is designed for work light tripods, providing a reliable and weather-resistant extension. With its IP65 certification, this connector is water and dustproof, ensuring optimal performance even in challenging outdoor environments. The Y-shaped design allows you to connect multiple lights to a single tripod while ensuring stable and secure power delivery. This 3-meter cable offers additional reach, making your setup more flexible and convenient.

CARACTERISTICS

- IP65 Waterproofing: Protected against water and dust, ideal for outdoor use.
- 3-meter extension: Provides extra reach for a more flexible installation.
- Y-shaped design: Allows multiple lights to be connected to a single tripod, enhancing efficiency.
- Power supply: Ensures a secure connection for optimal performance in challenging conditions.
