

LED BULBS A19 15WD

HIGHLIGHTS

15W Dimmable LED Bulb

This 15W LED bulb delivers an impressive 1600 lumens, making it an energy-efficient replacement for higher wattage traditional bulbs. Available in warm white and cool white tones, it offers versatile lighting to suit any setting. Its dimmable functionality ensures customizable brightness levels, making it perfect for creating the right ambiance. Ideal for residential or commercial spaces, this bulb combines high performance with cost-saving energy efficiency and long-lasting durability.
