

## LED BULBS A19 9W

### HIGHLIGHTS

#### 9W Non-Dimmable LED Bulb

This 9W LED bulb provides a bright 800 lumens, making it an energy-efficient option for various lighting needs. Available in both warm white and cool white, it allows you to create a cozy or vibrant atmosphere depending on your preference. Its non-dimmable design ensures consistent brightness, making it perfect for general-purpose lighting in homes or offices. With long-lasting durability and cost-effective performance, this LED bulb is an excellent replacement for traditional bulbs.
