

## LED BULBS G9 5WD

### HIGHLIGHTS

#### 5W Dimmable LED Bulb

This 5W LED bulb delivers 400 lumens in warm white for a soft, cozy glow and 420 lumens in cool white for crisp, bright illumination. Its dimmable feature allows you to adjust brightness to suit your space and mood.

Energy-efficient and long-lasting, this bulb is perfect for enhancing ambiance while reducing energy costs. Ideal for residential and commercial use, it's a versatile lighting solution for any room or setting.
