LED BULBS
GU10 6.5WD

HIGHLIGHTS

6.5W Dimmable LED Bulb

This 6.5W LED bulb provides 500 lumens of efficient lighting, making it suitable for a variety of spaces. Available in warm white for a soft, cozy glow or cool white for a brighter, more focused ambiance, it delivers versatile illumination.

The dimmable feature allows you to adjust brightness to match any mood or setting. Long-lasting and energy-efficient, this bulb is an excellent replacement for traditional lighting, ideal for residential and commercial applications.
