

LED BULBS MR16 5.5WD

HIGHLIGHTS

5.5W Dimmable LED Bulb

This energy-efficient 5.5W LED bulb produces 500 lumens of bright and consistent lighting. Choose warm white for a cozy ambiance or cool white for clean, vibrant illumination. Its dimmable design allows for adjustable brightness to fit your needs and create the perfect atmosphere. Long-lasting and eco-friendly, this bulb is ideal for residential or commercial spaces, providing a reliable and cost-effective lighting solution with versatile application options.
