

ALL-IN-ONE DESIGN WITH SOLAR PANEL, LIGHT ENGINE, AND BATTERY BUILT INTO THE FIXTURE. The Solar Post Top Light is easy and quick to install, just use the supplied screws to secure the light to the pole.

- Perfect for parks, city streets, school campuses and more
- Comparable to 150W HID
- Fixture turns on at night automatically and can be set to different operating modes (see installation instructions for details)
- Angled top prevents debris build up
- Aluminum alloy + polycarbonate material makes it strong and lightweight
- Li-Ion battery lasts at least 1500 charge cycles and is replaceable
- Suggested mounting height: 8 FT to 15 FT
