

Installation Instruction

Linear Pendant Luminaire

ELECTRICAL SHOCK HAZARD

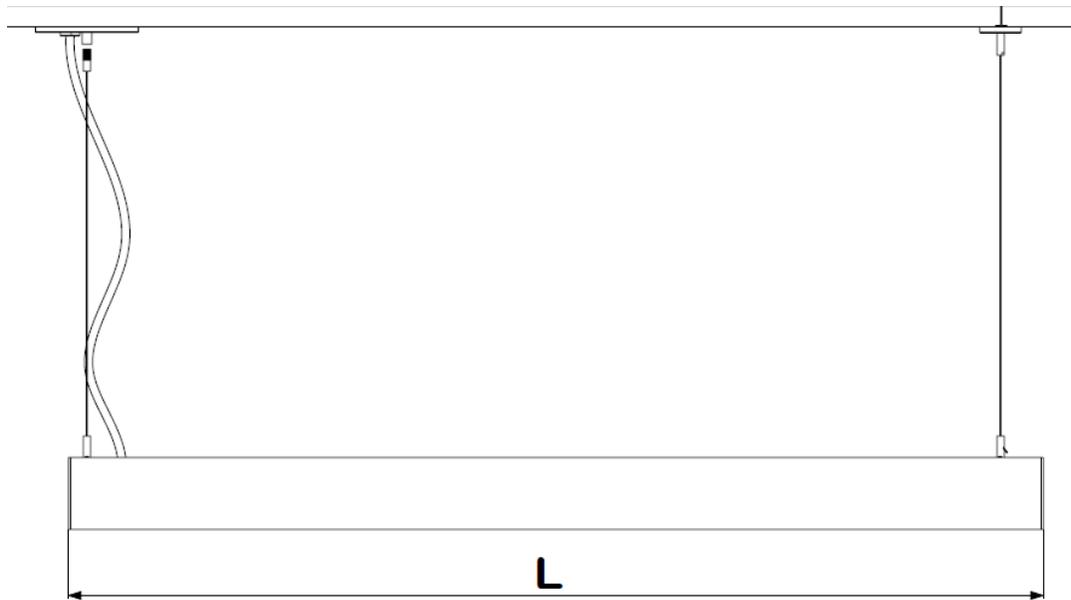

WARNING

Disconnect the Electrical supply at the service panel (fuse or circuit breaker) before installation. Failure to do so could result in serious injury.

Only qualified electricians should install this luminaire and must follow the applicable National Electrical Code Part 1 or the NEC, and any local codes and ordinances. Proper tools and materials to complete the installation are available. Do not attempt to install this luminaire.

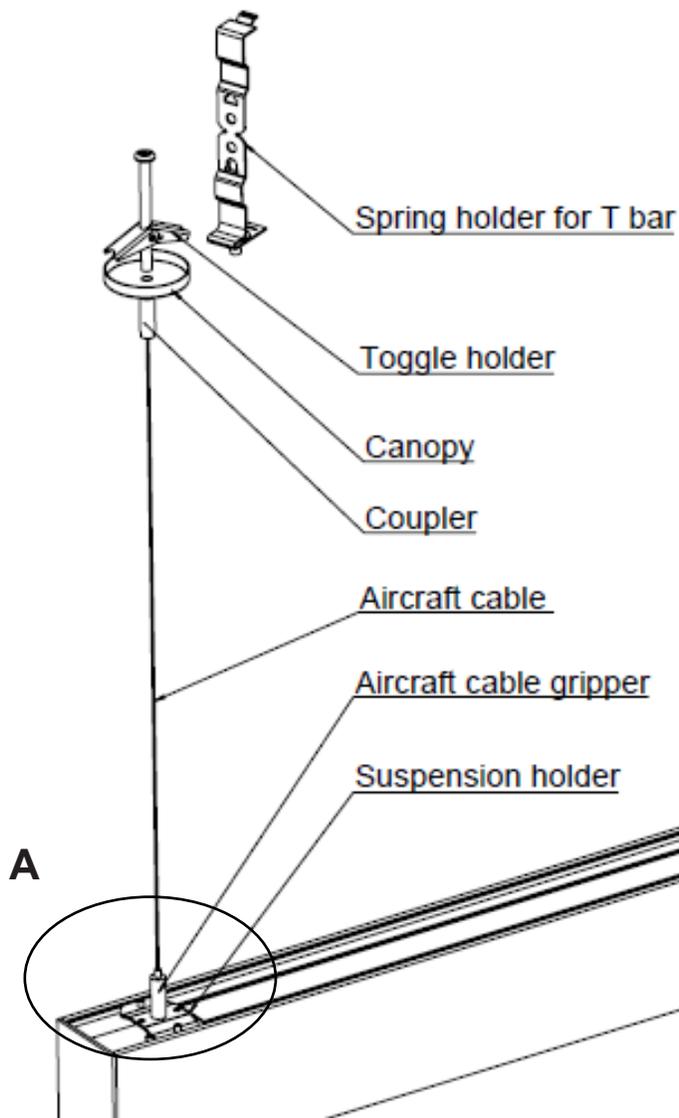

Read all instructions prior to installing this product.
