

**Projet:** **Type:**

**Area Light Bracket adjustable straight arm**

Adjustable Straight Arm Bracket adds flexibility to your lighting installation, designed for both round and square poles, specifically for Area Light V3. This bracket is engineered to fit round and square poles, allowing you to position your Area Light V3 fixtures with precision. Made from robust cast iron, it ensures a stable and durable mount, even in the most demanding outdoor conditions. With its adjustable straight arm, you can orient your fixtures to achieve optimal and customized lighting.

**CHARACTERISTICS**

- Universal compatibility: Suitable for round and square poles for versatile installation.
- Adjustable arm: Allows precise positioning of lights for optimal illumination.
- Robust Material: Made of cast iron for durability in demanding outdoor conditions.
- Stable Mounting: Ensures a solid and secure installation
