Sports Light Accessoires - Bracket "Slip Fitter" V2

Slip Fitter for Sports Lights is an accessory that allows you to mount your sports fixtures of 600W or less onto the ends of round poles with a diameter of less than 2.5 inches. This adjustable-angle bracket enables precise positioning of your fixtures, ensuring optimal light coverage for sports fields or other large areas. Its sturdy construction ensures a stable and durable installation, even in the most demanding conditions.

CARACTERISTICS

- **Compatibility:** Designed for sports lights of 600W or less, fitting round poles with a diameter of less than 2.5".
- **Adjustable angle:** Allows precise positioning for optimal light coverage on sports fields and large areas.
- **Sturdy mounting:** Ensures stable and durable installation, even in demanding conditions.
- **Versatility:** Ideal for sports environments or any space requiring powerful and adjustable lighting.
