### Work Light Accessoires - Trépied

Easy-to-Carry Foldable Tripod is the ideal accessory for work lights, designed to provide both stability and convenience. This lightweight and sturdy tripod folds easily, allowing for convenient transport and compact storage. Its versatile design adapts perfectly to various work environments, whether on a construction site or in a workshop. The solid structure ensures a stable base for your work lights, guaranteeing optimal performance even in challenging conditions.

#### CARACTERISTICS

- Convenient transport: Lightweight and foldable, it can be easily stored for effortless transportation.
- Versatility: Adapts to various work environments, such as construction sites or workshops.
- Guaranteed stability: Its sturdy structure provides a stable base for your work lights, even in challenging conditions.
- Versatile: Made of aluminum, it resists corrosion and oxidation, while making transport easier due to its light weight.
